Food, music, videos, silent
auction, awards, and more

In response to the current circumstance, our 2020 **Home, Heart & Harmony** gala is offering a choice of in-person attendance or enjoying the gala virtually from the comfort of home. During this difficult pandemic, our waiting children are in even *greater need* for a permanent family. Now, more than ever before, we appreciate your generous sponsorships to support our work to recruit permanent, adoptive parents, provide post-adoption services, and raise awareness of the critical need for families for children waiting the longest in foster care. Won't you please consider one of these sponsorships?
